1. Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2017; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

2. 2016/17 External auditor report

(Except for the matters reported below)* on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no other matters have come to our attention giving cause for concern that relevant legislative and regulatory requirements have not been met. (*delete as appropriate).

(continue on a separate sheet if required)

Matters reported

Accounting Statements

The Authority does not have in place proper arrangements for effective financial management during the year, and for the preparation of the accounting statements.

The Authority has input the following incorrect figures:

- for box 2, year ending 31 March 2016, the correct figure should state £7,971 (not £1,971 as currently disclosed).
- for box 8, year ending 31 March 2017, the correct figure should state £12,188 (not £1,288 as currently disclosed).

Given the above issues, we believe the appropriate response to Assertion 1 on the Annual Governance Statement should be 'No'. The Authority should restate the 2016/17 figures on 2017/18 Annual Return and note "restated" beneath the £ sign on the 2016/17 column.

In future, the Authority must ensure that the accounting statements in section 2 of the Annual Return are prepared in accordance with proper practices.

Other matters not affecting our opinion which we wish to draw to the attention of the authority

Public Rights

The Authority must provide for the exercise of public rights as set out in Sections 26 and 27 of the Local Audit and Accountability Act 2014 and the Accounts and Audit Regulations 2015. The Regulations require the Authority to approve and publish the Annual Governance Statement and the Accounting Statement alongside a 'notice of commencement' and a 'declaration of status of accounts' to allow it to commence the period for the exercise of public rights.

The Authority has informed us that the audit information was not uploaded and made available on their website and they therefore responded, "No" to assertion 4 on Section 1, Annual Governance Statement, of the Annual Return.

In future, the Authority must ensure that they comply with the Accounts and Audit Regulations 2015, in particular the inspection and notice procedures.
