

# BEST KEPT VILLAGE

The Parish Council has entered Stowe village into the Best Kept Village Competition again. Stowe has been very successful in the past and can be again. All it takes is to be the Best Kept Village.

When the judges come round in May and June they will be looking for a tidy village with no litter and no dog mess. Where notice boards are clean, tidy and up-to-date.

They will look at peoples front gardens to see if they are unkempt. The judges will also be trying to judge Stowe's community spirit. Please help by keeping the place clean and tidy and please display a BKV notice.

You, or your children, can go further. There are two competitions specially for children and one for the adults.

- Children's Poster competition has categories for 5-7 year olds and 8-11 years old. Posters should promote the BKV and be A4 or A3 size. Click [here](#) for more details.
