## **Health and Safety Policy.**

Stowe by Chartley Parish Council will ensure, so far as is reasonably practicable, the health, safety and welfare at work of all its employees.

All employees have a duty of care to fellow employees, themselves and the general public.

The Council recognises that it has a duty to persons other than its employees who may be affected by the Council's actions.

The Council will take reasonable steps to meet its responsibility paying particular attention to the provision and maintenance of plant, equipment and systems of work to ensure that they are safe and without risk to health.

The Council will ensure that its employees have appropriate training and supervision to ensure their own safety and that of others affected by the Council's activities.

The Council will make every reasonable effort to promote amongst its employees a genuine awareness of safety matters and to create an understanding of the importance of safe working practices.

Accidents on Council business will be reported to the Clerk who will record them in the Accident Book.

This document will be reviewed in January each year.
