

Seighford - Male arrested for dangerous driving

Following a vehicle's failure to stop for Roads Policing officers in the Seighford area near Stafford at approximately 5:30 AM on Friday, March 21, 2025, a 25-year-old male was detained after the vehicle was involved in a minor collision.

Upon detention, officers discovered that the driver was disqualified, uninsured, and tested positive for cannabis. He was subsequently arrested for dangerous driving and is now on bail pending results of further enquiries, and once these have been completed will be given a court date.

Driving under the influence, especially in such circumstances, endangers both the driver and other road users, potentially leading to serious injury or even death.

Before you get behind the wheel, ask yourself if your journey is truly worth the risk?
